MOTOR VEHICLE APPRAISAL FORM**

Notice: Please read the following North Carolina General Statutes concerning valuation of motor vehicles before submitting an appraisal.

North Carolina General Statutes §105-330.2(b) states “A classified motor vehicle **shall be appraised** by the assessor **at its true value in money** as prescribed by NCGS §105-283.”

NCGS §105-283 states “All property, real and personal, shall as far as practicable be **appraised or valued at its true value in money...**”**true value” shall be interpreted as meaning market value**, that is, the price estimated in terms of money at which property would change hands between a willing and financially able buyer and a willing seller, neither being under any compulsion to buy or to sell and both having reasonable knowledge of all the uses to which the property is adapted and for which it is capable of being used.”

The value of the motor vehicle **is not the loan value or trade in value**, but the retail or market value of the vehicle.
