

Social Isolation prevention starts with YOU

Introducing a campaign to lift up older adults—

Like A Good Neighbor

Do you know an older adult (or several!) that may need connections to help them feel **less alone** this holiday season? Contact Davidson County Senior Services to find out how you can involve your neighborhood, church, civic group or even family to help **prevent social isolation**.

**LONELY SENIORS
HAVE A 59% HIGHER
RISK OF PHYSICAL
AND MENTAL HEALTH
DECLINE**

Senior Services, along with community partners, can provide you with an **information packet** to get you started including a simple social isolation **questionnaire**, **ideas for fun activities** to engage older adults, and a **list of resources for additional help**.

Preventing Isolation & Lifting Up the Lonely

Contact Senior Services to find out how you can get a toolkit to begin your own campaign to help prevent isolation & loneliness.
