What is Operation Green Light?

Operation Green Light is a new, national collaborative initiative to support military veterans, as well as raise awareness about the unique challenges they may face.

Davidson County buildings will be lighting up green during the week of Nov. 7 - 14 and we encourage businesses and residents to do the same - change one light bulb in your business or house to a green bulb.

This can be an exterior light that neighbors and passersby see, or an interior light that sparks a conversation with friends.

By shining a green light, we let our veterans know that they are seen, appreciated and supported.

When should I go green?

Operation Green Light is
Happening Nov. 7 - 14, 2022!
